Dear Honorable Director Squires,

Today the Federal Circuit issued an order granting Patent Owner's unopposed motion to remand this proceeding to the USPTO for the limited purpose of allowing the Director to consider Patent Owner's Request for Director Review (Paper 40) and stay the appeal for the duration of the remand.

The Federal Circuit's order and Patent Owner's motion are attached.

Patent Owner can file the order and motion or provide further information if requested.

Regards,

Chad Walters

[EXTERNAL EMAIL]

Counsel,

The option to file a request for Director Review is unavailable in this case because Petitioner has filed a Notice of Appeal. Paper 39. Patent Owner may file its Director Review request using the paper type “Other:Other” and pay the fees later, but note that the Office will stay consideration of the Director Review request until the Federal Circuit determines whether to order a limited remand to the Office. See Director Review Process § 3.B, available at <https://www.uspto.gov/patents/ptab/decisions/director-review-process>.

Thank you.

Dear PTAB,

We are preparing to submit a Request for Director Review for the above-referenced proceeding but the "File a request for director review" does not pop up in the Add button in P-TACTS. How would you submit with fee?
