As described. Even tho it's impossible to communicate w this shop, and it's irritating, I have made quite a few purchases from them and have always been very pleased w the shipping time, and the actual item itself. Haven't had any issues, or reason to return. I also haven't seen any new inventory in the time period I shop from (mens 1940's-early 60's rockabilly casual size small) it's kind of a bummer, but I've scored some really amazing PCs from this shop and would def do it again.
