"I am thrilled to announce the winners of the 2023 CEW Beauty Awards," said Carlotta Jacobson, CEW President. "These products represent the best of the best in innovation, creativity, and performance. This year, all finalists will be shoppable on CEW.org, so you can explore and experience the excellence of these award-worthy beauty products firsthand. Congratulations to all the winners!"

The winners of the annual Beauty Awards have been chosen by CEW members who represent the beauty industry's elite: brand executives, VIPs, and leaders in beauty-related industries. A CEW Beauty Award has become the most coveted industry award as it's the only one voted on by industry insiders who know beauty best.

The awards ceremony was hosted by Jessel Taank, star from the *Real Housewives of New York* franchise, tastemaker, fashion publicist, brand consultant, and entrepreneur, along with special guest presenters including the viral Incognito Influencer.
