Unlocking effortless waves

Kath

Dyson has truly won me over with their Airwrap Styler. It's not just a hair tool; it's become my go-to for that perfect volume and beachy wave look. I love how Dyson blends innovation and qu...

Coanda styling pioneered by Dyson

Re-engineered attachments with Enhanced Coanda airflow for increased control¹

Hide flyaways

Coanda to smooth

Dry, smooth, and hide flyaways with one multi-functional attachment. Two jets of air work simultaneously on dry and straightened hair to smooth and perfect your end style, with up to 58% less frizz and flyaways.²

Faster, easier, smoother.
Re-engineered attachments.
Versatile styling.

Attachments engineered for different hair types, lengths, and styles

Attachments are also available to purchase separately.

Dryers to prepare and finish

Compatible with all generations of Dyson Airwrap™ multi-styler and dryer

Hide flyaways

The Coanda smoothing dryer combines two functions into one tool for streamlined styling. Pre-dry hair, and also finish by dramatically reducing flyaways to create a smooth, sleek finish.

Styled by you

Utilize airflow in both directions with one barrel for ease and speed. Choose from a range of barrel sizes to create loose waves, voluminous curls, or tight ringlets.

Quick and easy blow dries

Enhanced Coanda gives increased styling control with every brush stroke.* Achieve volume from the roots, shape the hair, and align each strand to create a smooth finish.

Stretched blow out

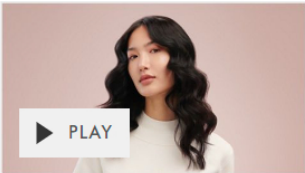

Before and after

- Wide-tooth comb
- Coanda smoothing dryer

Create the style

Watch our quick, step-by-step guides for achieving your ideal style.

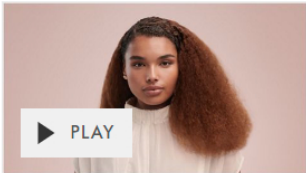

Mermaid waves

Soft, unstructured waves for longer lengths using the Coanda smoothing dryer and 1.2 inch long barrel.

- [1.2" Airwrap™ long barrel](#)

Stretched blow out

Create length and add volume and texture using the Coanda smoothing dryer and Wide-tooth comb.

Attachments

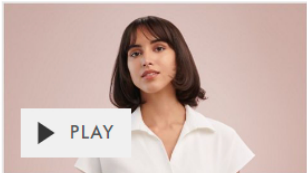

Retro blow out

A classic, bouncy style that's full of volume using the Coanda smoothing dryer and Round volumizing brush.

Attachments

- [Round volumizing brush](#)
- [Coanda smoothing dryer](#)

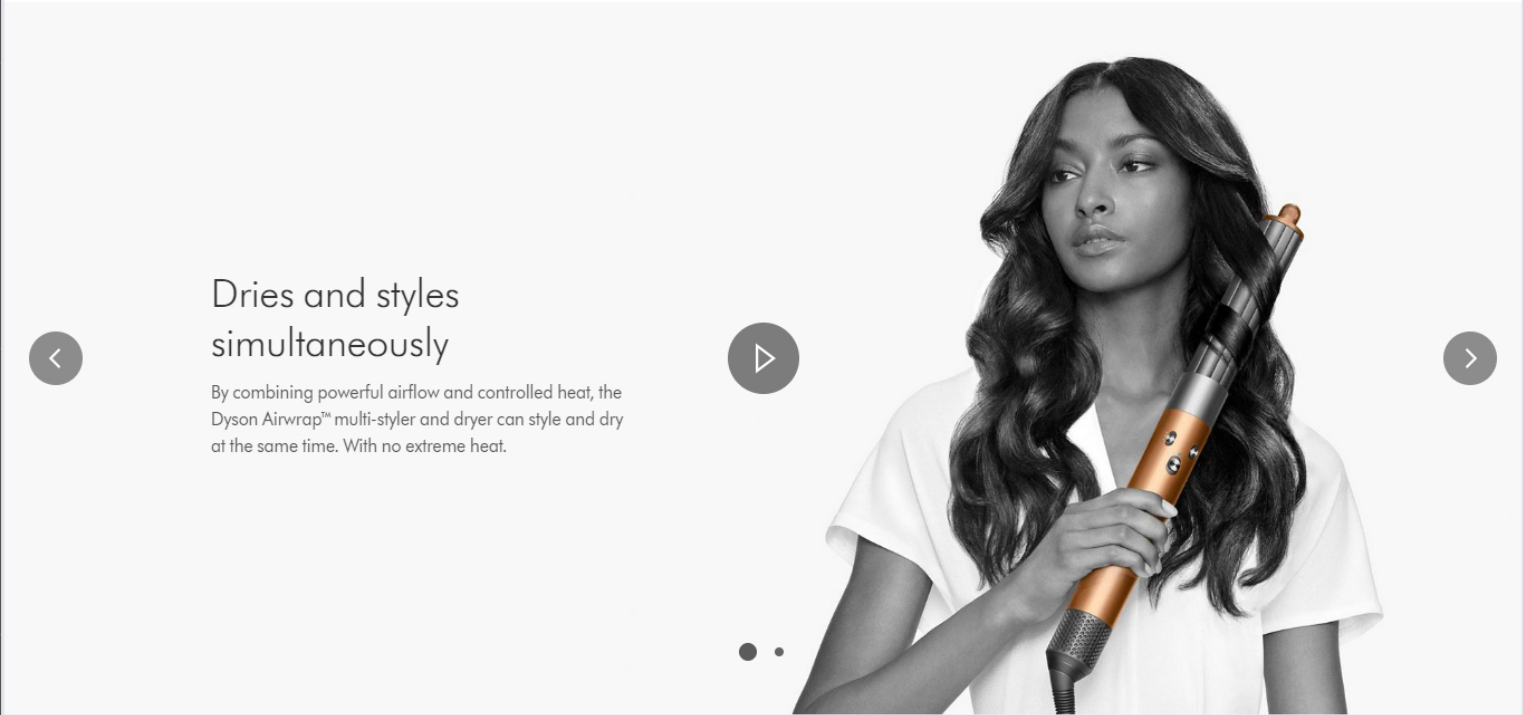

French chic

A modern classic for shorter hair using the Small soft smoothing brush and Small round volumizing brush.

Dries and styles simultaneously

By combining powerful airflow and controlled heat, the Dyson Airwrap™ multi-styler and dryer can style and dry at the same time. With no extreme heat.

Frequently asked questions

Why are there different Dyson Airwrap™ stylers and attachments?

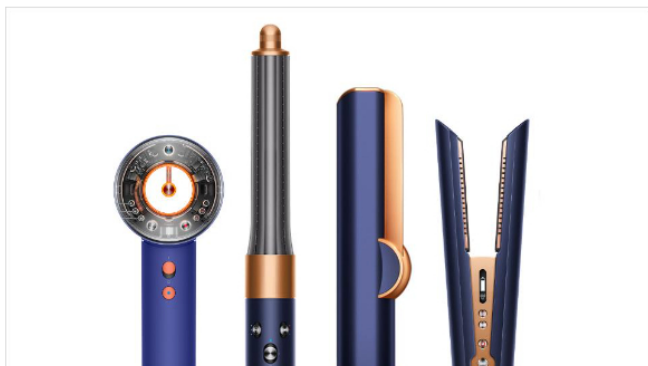

Can I use the Coanda smoothing dryer on any hair type?

Does my hair have to be wet to start styling?

Will these new attachments work with my existing multi-styler?
