Dear Director Squires and Honorable Board,

For each of IPR2024-00995 and IPR2024-00996, Petitioner Anker Innovations Ltd. ("Anker") and Patent Owner Powermat Technologies Ltd. ("Powermat") are writing to notify the Director and the Board that the parties have reached an agreement in principle to settle these matters. Pursuant to 35 U.S.C. § 316(a)(11), "the final determination in an inter partes review [shall] be issued not later than 1 year after the date on which the Director notices the institution of a review under this chapter, except that the Director may, for good cause shown, extend the 1-year period by not more than 6 months" In the absence of any extension, final written decisions resolving these proceedings would be due no later than February 20, 2026.

Anker and Powermat hereby jointly request a 30-day extension of the deadline imposed by 35 U.S.C. § 316(a)(11) in IPR2024-00995 and IPR2024-00996 and submit that good cause exists for such an extension due to the parties' settlement. The parties have executed a binding term sheet. While the parties have been working to finalize a settlement agreement, they need some additional time to do so, and additional time once the settlement agreement is finalized to seek authorization from the Board to file a joint motion to terminate the proceedings.

Respectfully submitted,

Robert Pluta
