FOR THE DISTRICT OF DELAWARE**

MHL CUSTOM, INC.,

Plaintiff,

v.

WAYDOO USA, INC. and SHENZHEN
WAYDOO INTELLIGENCE TECHNOLOGY
CO., LTD,

Defendants.

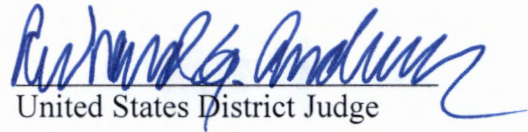

C.A. No. 21-0091-RGA

TRIAL VERDICT

The jury having deliberated on Plaintiff MHL Custom Inc.'s claims of willful patent infringement of claims 1, 2, 5, and 6 of the '044 patent and claims 1 and 2 of the '659 patent, and the jury having reached a verdict finding that the Defendants' Accused Products infringe upon the asserted claims and that such infringement was willful, judgment of willful infringement on all asserted claims is entered in favor of Plaintiff and against Defendants Waydoo USA Inc. and Shenzhen Waydoo Intelligence Technology Co., Ltd. The jury having further deliberated on Defendants Waydoo USA Inc. and Shenzhen Waydoo Intelligence Technology Co., Ltd's affirmative defenses and counterclaims of invalidity on the basis of anticipation, obviousness, and lack of enablement of claims 1, 2, 5 and 6 of the '044 patent and claims 1 and 2 of the '659 patent, and the jury having reached a verdict finding that the Evolo prior art reference was not publicly accessible prior to October 10, 2013 and that the Evolo prior art reference is not enabled, and the jury finding that the asserted claims of the '044 patent and the '659 patent were not obvious in light of the combination of the *Woolley* and *Namanny* prior art references, and the jury finding that the asserted claims of the '044 patent and the '659 patent are enabled, judgment is entered in favor of Plaintiff and against Defendants on all of Defendants' invalidity defenses

and counterclaims. The jury having further reached a verdict on the issue of monetary damages in the form of a reasonable royalty paid on a dollar amount per unit sold, and the jury having reached a verdict, judgment enters in favor of Plaintiff that Defendants shall pay Plaintiff a royalty of \$500 per unit sold on a royalty base of 2668 units as of December 31, 2022, totaling \$1,334,000.

IT IS SO ORDERED this 4th day of April, 2023.
