Dear Honorable Board,

The parties jointly write to notify the Board of material transcription errors in the combined hearing transcript filed in IPR2024-01006 (Paper 36), -1011 (Paper 37), and -1013 (Paper 36) and the transcript filed in IPR2024-01012 (Paper 37). The parties further request guidance on how to have these errors corrected. The parties note that they do not agree or concede that the transcript has no other errors, but the parties believe at minimum the transcript should accurately reflect who is

speaking.

With respect to the combined hearing transcript, beginning on page 124, line 13 through page 132, line 9 the transcript erroneously indicates that counsel for Patent Owner, Mr. Zinda, was speaking when it was counsel for Petitioner, Dr. In, advancing those arguments. Patent Owner considers this to be a significant error, as it erroneously indicates that Patent Owner agrees with certain positions of Petitioner.

With respect to the transcript in IPR2024-01012, beginning on page 60, line 23 through page 62, line 16 it identifies "PARTICIPANT" as the speaker when those lines should identify Dr. In as the speaker.

The parties respectfully request that the original hearing transcripts in each of these proceedings be expunged and that a new transcript issue with these corrections. To the extent this request relief is not feasible, the parties alternatively request leave to file a joint paper that lists out these corrections by page and line number.

The parties are generally available for a conference call this week, should the Board desire one.

Regards,

Stephen Zinda
