Welcome to my site, I hope you enjoy it. My name is Ben Meadowcroft, I'm originally from Manchester in the UK but I'm currently living in the USA studying at BYU's Marriott School of Management for my MBA. I got my Masters in Software Engineering from UMIST and after working in managerial and technical roles for the last 7 years decided to have a change of environment and get a few new challenges under my belt.

I'm enjoying life, looking forward to working on some interesting challenges in the future and enjoying the snow in Utah!
