Dear Honorable Board,

On May 5, 2025, Patent Owner filed a motion to seal (Paper 19) in connection with designating EX2031 as "Parties and Board" only. EX2031 contains certain excerpts from an expert report submitted by Samsung's district court expert as attorneys' eyes only. In addition to designating EX2031 as "Parties and Board" only, the Patent Owner Response (Paper 21) and declaration of Dr. Sims (EX2019) were also designated as "Parties and Board" because they cite to and discuss the contents of EX2031.

After the parties conferred, Samsung agrees that the particular excerpts comprising EX2031 do not contain confidential information. Therefore, the motion to seal (Paper 19) is now moot and Patent Owner requests that the motion be withdrawn. Similarly, Patent Owner requests that the designations for Patent Owner Response (Paper 21), EX2019, and EX2031 be changed from "Parties and Board" to "Public" since there is no longer a reason to seal those documents.

Respectfully,

Jonathan M. Lindsay
