Subject: IPR2024-01094: request to withdraw motion to seal

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board,

Petitioner writes about its August 11 Motion to Seal in IPR2024-01094 (Paper 23) and associated materials that Petitioner filed confidentially as "Parties and Board" only pursuant to that motion (Paper 24 and Exhibits 1020, 1021, 1025, 1026, 1032, 1038, and 1039).

As explained in the motion, Petitioner requested to file these materials under seal as they included information that had been designated as containing confidential information from Patent Owner under a litigation protective order. After further conferring about this matter,

however, the parties have agreed that the materials can be made public.

Therefore, Petitioner requests that the Motion to Seal (Paper 23) be withdrawn, and that the availability for Paper 24 and Exhibits 1020, 1021, 1025, 1026, 1032, 1038, and 1039 be changed from “Parties and Board” to “Public.”

Respectfully submitted,

David Garr
