Dear Honorable Board,

On September 17, Patent Owner filed its Sur-Reply and certain exhibits under seal in the above titled proceeding. Upon consulting with Petitioner, it has been determined that the Sur-Reply and EX2057 do not contain any confidential information. Patent Owner therefore respectfully request that the Board change the designation for the sur-reply and EX2057 from "Parties and Board" to "Public."

Patent Owner will file redacted versions of EX2056, EX2058 and EX2106 shortly.

Respectfully,

**Subject:** IPR2024-01094: request to withdraw motion to seal

Dear Honorable Board,

Petitioner writes about its August 11 Motion to Seal in IPR2024-01094 (Paper 23) and associated materials that Petitioner filed confidentially as “Parties and Board” only pursuant to that motion (Paper 24 and Exhibits 1020, 1021, 1025, 1026, 1032, 1038, and 1039).

As explained in the motion, Petitioner requested to file these materials under seal as they included information that had been designated as containing confidential information from Patent Owner under a litigation protective order. After further conferring about this matter, however, the parties have agreed that the materials can be made public.

Therefore, Petitioner requests that the Motion to Seal (Paper 23) be withdrawn, and that the availability for Paper 24 and Exhibits 1020, 1021, 1025, 1026, 1032, 1038, and 1039 be changed from “Parties and Board” to “Public.”

Respectfully submitted,  
David Garr
