

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

GOOGLE LLC,

Petitioner,

v.

SONGBIRD TECH, LLC,

Patent Owner.

Case IPR2024-01096

Patent No. 8,825,787

**PETITIONER GOOGLE LLC'S UNOPPOSED MOTION TO
TERMINATE PROCEEDING**

Pursuant the authorization provided in the Board’s email of September 4, 2024, Petitioner Google LLC moves to terminate the above-captioned proceeding, IPR2024-01096, directed to U.S. Patent No. 8,825,787 (“the ’787 patent”). Patent Owner has not appeared in the above-captioned proceeding. However, Counsel for Petitioner conferred with Patent Owner’s litigation counsel, and Patent Owner is unopposed to Petitioner’s motion.

Good cause exists to terminate this proceeding because the proceeding is in its infancy with significant work still to be done, including a possible Patent Owner Preliminary Response, the Board’s Institution Decision and, to the extent that Institution is granted, the Patent Owner’s Reply, possible motions to exclude, preparation for and participation in the oral argument, and the Board’s preparation of the Final Written Decision. Terminating the proceeding now would thus serve the interests of judicial economy and the mutual interest of the parties.

Respectfully submitted,

Dated: September 6, 2024

By: /Daniel C. Tucker/
Daniel C. Tucker (Reg. No. 62,781)
Counsel for Petitioner
