To the Board,

Petitioner Dr. Squatch requests authorization to file replies to the Patent Owner Responses in the referenced IPRs. The proposed replies would be limited to (i) 5 pages and (ii) addressing P&G's 325(d) arguments. Petitioner also proposes that Patent Owner P&G be afforded sur-replies of equal length.

Petitioner has conferred with Patent Owner on this request and Patent Owner does not oppose, so long as it is permitted sur-replies of equal length. If the Board believes a conference call is needed for this request, the parties can provide availability for the same.

Regards,
Justin Oliver
Counsel for Petitioner
