ORDER

In accordance with the discussions at the September 5, 2024 Scheduling Conference, Plaintiff will be allowed an additional 60 days to conduct discovery concerning venue. The Court finds that the allegations of the Complaint concerning collaborations with third parties do not properly allege that Defendant has a regular and established place of business in the District, as required by 28 U.S.C. § 1400(b).

Plaintiff is hereby given leave to amend the Complaint within 10 days after the close of the above period of venue discovery if Plaintiff can make the necessary venue allegation. Plaintiff may file a supplemental opposition to Defendant's Motion to Dismiss (Dkt. No. 9) within 20 days after the close of the above period of venue discovery, and Defendant may file a supplemental reply within 10 days after any supplemental opposition.

SIGNED this 18th day of September, 2024.
