2. **Release and Covenant Not to Sue**.

2.1. Release of Claims. This Agreement resolves and releases any claim for relief that could have been alleged, no matter how characterized, including, without limitation, compensatory damages, damages for breach of contract, bad faith damages, invalidity of the Licensed Patents, or any other damages or losses, related to the Licensed Products on or before the Effective Date.

2.2. Covenant Not to Sue. Each Party hereby covenants that it will not directly or indirectly—alone or by, with, or through others—cause, induce, or authorize, or voluntarily assist, participate in, or cooperate in, the commencement, maintenance, or prosecution of any action or proceeding or demand of any kind or nature whatsoever against the other seeking or having the tendency to establish any liability on the part of or to exact any penalty, sanction, or other relief from or against the other Party or its or his related persons arising from, by reason of, or in connection with the Licensed Products' alleged infringement of the Licensed Patents or the Licensed Patents' validity.

3. **License**.

3.1. License Grant. Licensor has the sole right and discretion to bring an infringement action or defend an invalidity contention concerning the Licensed Patents and reserves the right to attempt to resolve any claims relating to the Licensed Patents and control the conduct of those efforts; Licensor shall bear its own fees, costs, and expenses in any such action except as otherwise stated in this Agreement.

3.6. Compliance With Laws. Licensee shall comply with the patent marking provisions of 35 U.S.C. § 287(a) by marking all Licensed Products with the word "patent" or the abbreviation "pat." and either the numbers of the Licensed Patent or a web address that is freely accessible to the public and that associates the Licensed Products with the relevant Licensed Patent. 5. **Miscellaneous**.

5.1. Legally Binding, Representations, and Remedies.

(a) The Parties intend this Agreement to be legally binding upon and that it shall inure to the benefit of each of them and their respective Successors, assigns, executors, administrators, heirs, and estates. Moreover, Related Persons (other than the parties themselves) are third-party beneficiaries of this Agreement.

(b) Licensor enters into this Agreement in reliance on Licensee's disclosure of information to Licensor on or about October 3, 2022, including information about sales of the Licensed Product up to the Effective Date ("**Disclosures**"). By entering this Agreement, Licensee acknowledges that: (i) Licensor's entry into this Agreement on the terms provided herein is conditioned on and made in reliance on the truth and material completeness of Licensee's Disclosures; and (ii) any material failure of those Disclosures—whether by falsity or omission—is a material breach of this Agreement.

(c) By signing below, each Party warrants and represents that the person signing on each Party's behalf has authority to bind that Party and its execution of this Agreement is not in violation of any by-law, covenants, or other restrictions placed upon the Party.

(d) Each Party acknowledges that a breach by the other Party of this Agreement may cause the non-breaching party irreparable harm, for which a damages award would not be adequate compensation, and in the event of such breach each Party shall be entitled to seek equitable relief, including in the form of a temporary, preliminary, or permanent injunction, specific performance, and other relief that may be available. Such remedies shall not be deemed exclusive but shall be in addition to all other remedies available at law and equity, subject to any express exclusions or limitations in this Agreement to the contrary.

(e) In the event that any action, suit, or other legal or administrative or arbitration proceeding (collectively, "action") is instituted or commenced by either Party hereto against another Party arising out of or related to this Agreement, the prevailing party shall be entitled to recover its actual attorneys' fees, costs, and expenses incurred as a result of the acts giving rise to such action from the non-prevailing party.

(b) Any action, suit, or other proceeding arising out of or related to this Agreement shall be instituted exclusively in the state or federal courts within the State of Florida.

5.4. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

5.5. Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the Parties hereto shall negotiate in good faith to modify this Agreement so as to affect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.
