

**“Strappy Pocket Bra” Infringement Claim Chart for
U.S. Patent No. 10,869,510 (“the ‘510 Patent”)**

Rabbit’s using, making, offering, selling, and importing the Strappy Bra product directly and indirectly infringes Claims 1, 2, 7, 11, 12, and 15 of the ‘510 Patent. The Strappy Bra features each element of each of those claims literally or by the doctrine of equivalents. Rabbit also inserts a phone into the back pocket of the Strappy Bra product, directly infringing dependent Claims 9 and 16 literally or by the doctrine of equivalents—which it also knowingly and intentionally induces purchasers and users of the product to do.
