"Swoosh On The Run" Infringement Claim Chart for U.S. Patent No. 10,869,510 ("the '510 Patent")

NIKE's making, using, offering to sell, and selling of the Swoosh On The Run product directly and indirectly infringes claims 1, 2, 4, 7, and 11 of the '510 Patent. The Swoosh On The Run features each element of each of those claims literally or by the doctrine of equivalents. NIKE also inserts a phone into the back pocket of the Swoosh On The Run, directly infringing claim 9 literally or by the doctrine of equivalents—which it also knowingly and intentionally induces purchasers and users of the product to do.
