Subject: RE: IPR2024-01130, IPR2024-01132, and IPR2024-01133: Withdrawal of Director Review
Date: Friday, April 10, 2026 7:38:00 AM

Counsel,

Patent Owner's request to withdraw its pending request for Director Review in each of the above-identified proceedings is granted and the pending requests for Director Review are withdrawn. Because a final written decision has already been entered in each of these proceedings, the parties' request for authorization to file a motion to terminate and a request to treat settlement agreement as confidential is moot.

Thank you.

Dear Director Squires,

Petitioner BOE Tech Group Co., Ltd. and Patent Owner Optronic Sciences LLC hereby notify that the parties have finalized a settlement agreement with respect to IPR2024-01130, IPR2024-01132, and IPR2024-01133. Thus, Optronics requests to withdraw its pending requests for Director Review. Please update the records for these matters accordingly. Should the Office require any additional formal filings or a joint stipulation to process this withdrawal, please let us know.

The parties further jointly request leave to file a motion to terminate in each of these proceedings. The parties further request leave to file a motion to treat the settlement agreement as confidential business information and to keep it separate.

Respectfully submitted,
