 **EXTERNAL MESSAGE**

Counsel,

The panel appreciates the response. The parties are advised that the Final Written Decisions in 1130, 1133, and 1134 are due 1/27 and will mail by 1/26, and the 1131 Final Written Decision is due 2/12 and will mail by 2/11. The panel intends to meet those deadlines absent a notification that the settlement encompasses these proceedings and we should stay the deadlines.

To the Honorable Board,

Please excuse the delay. The parties have met and conferred to provide the following joint explanation:

The parties have reached a settlement in principle that resolved all claims against BOE in the litigation and are finalizing a settlement agreement, which may encompass these IPRs. The parties will advise the Board promptly once the agreement is finalized.

Counsel,

On January 12, 2026 the parties filed a notice of settlement of a district-court action concerning the same patents at issue in IPR2024-01130, -01131, -01132, and -01133. Please inform the Board no later than 5:00 pm ET whether the parties' settlement encompasses these IPRs.
