2030	Settlement Agreement (Parties and Board Only)

Pursuant to 35 U.S.C. § 317(a) and 37 C.F.R. § 42.74, Petitioner and Patent Owner (collectively, “the Parties”) jointly move to terminate the above-captioned inter partes review (“IPR”) proceeding. The Board authorized the parties to file this motion by email on March 31, 2026.

The Parties have reached a settlement resolving their dispute regarding the patent at issue in this proceeding. A true and correct copy of the settlement agreement is being filed concurrently with this motion as required under 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(b). *See* Ex. 2030. There are no other collateral agreements.

A joint motion to terminate generally “must (1) include a brief explanation as to why termination is appropriate; (2) identify all parties in any related litigation involving the patents at issue; (3) identify any related proceedings currently before the Office; and (4) discuss specifically the current status of each such related litigation or proceeding with respect to each party to the litigation or proceeding.” *Heartland Tanning, Inc. v. Sunless, Inc.*, IPR2014-00018, Paper 26, at *2 (July 28, 2014).

Here, Petitioner and Patent Owner have settled their dispute regarding the ’801 patent, including both this proceeding and Patent Owner’s assertion of the ’801 patent in the related district court litigation. The parties do not anticipate further litigation between them concerning the ’801 patent. With respect to related

proceedings, the parties have similarly settled their dispute with respect to U.S. Patent Nos. 7,168,842; 7,586,121; 9,263,509; 9,406,733; and 8,158,477.

Good cause exists to terminate this proceeding because the parties have settled their dispute regarding the '801 patent. Terminating the proceeding now would thus serve the interests of judicial economy as well as the mutual interest of the parties.

True and correct copies of the parties' settlement agreements are being concurrently filed as Confidential Exhibit 2030 with a joint motion to file settlement agreement as business confidential information and to keep it separate. There are no other agreements, oral or written, between the parties made in connection with, or in contemplation of, the dismissal of this proceeding.
