Subject: IPR2024-01130, -01131, -01132, -01133, -01134, and -01315: Request for Supplemental Briefing

 EXTERNAL MESSAGE

Dear Honorable Board,

Patent Owner seeks leave to file a supplemental briefing in each of IPR2024-01130, -01131, -01132, -01133, -01134, and -01315. Under the Director's recent October 28, 2025 memorandum, Patent Owner has evidence that the People's Republic of China is a real party-in-interest. Patent Owner proposes supplemental briefing that is limited to three pages (to be filed one week from the Board's approval), and that Petitioner may file a three-page response one week after the supplemental briefing.

Petitioner opposes. Patent Owner waived any dispute over RPI by failing to raise that dispute in any of its papers in any of the above referenced IPRs. Additionally, Patent Owner has not shown that 37 C.F.R. § 42.123 is satisfied for such a late filing of supplemental information.

If the Board would like to schedule a call, the parties will make themselves available at the Board's convenience.

Respectfully submitted,
Jefferson Cummings
Counsel for Patent Owner

Jake Cummings
