UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

REED SEMICONDUCTOR CORP.

Petitioner,

v.

MONOLITHIC POWER SYSTEMS, INC.

Patent Owner.

Case No. IPR2024-01158

Patent No. 9,041,377

PETITIONER'S UPDATED MANDATORY NOTICES

Pursuant to 37 C.F.R. § 42.8(a)(3) and the Board's Order *Conditionally* Granting Petitioner's Motion for Admission *Pro Hac Vice* of Annaliese Parker, *37 C.F.R. § 42.10*, Petitioner Reed Semiconductor Corporation ("Reed") submits the following Updated Mandatory Notices to update the list of counsel for Reed.

1. Real Party-In-Interest

In accordance with 37 C.F.R. § 42.8(b)(1), Reed Semiconductor Corporation is the real party in interest in the above IPR petition.

Furthermore, as provided in Petitioner's original Mandatory Notices (Paper 1 at 87), Nengda Microelectronics (Shenzen) Co., LTD. ("Nengda Microelectronics") and Nengda Semiconductor Technology (Shenzen) Co., LTD. ("Nengda Semiconductor") are also real parties-in-interest in the above IPR Petition. Nengda Microelectronics and Nengda Semiconductor are defendants in a separate lawsuit brought by Patent Owner (identified below), which has been consolidated for pre-trial purposes with the lawsuits brought by Patent Owner against Reed. *See* Related Matters, *infra*. Petitioner does not believe either Nengda party rises to the level of a real party-in-interest as Nengda Semiconductor is non-operational and Nengda Microelectronics has not exercised any control over this Petition or Reed's decision to file this Petition. However, because Nengda Microelectronics and Nengda Semiconductor agree to be bound by the estoppel provisions of 35 U.S.C. § 315(e), and to prevent a costly challenge by Patent Owner regarding whether these entities

are real parties-in-interest, Nengda Microelectronics and Nengda Semiconductor have been named as real parties-in-interest.

2. Related Matters

In accordance with 37 C.F.R. § 42.8(b)(2), Reed identifies the following related matters at the time of this filing:

(1) *Monolithic Power Systems, Inc. v. Reed Semiconductor Corp.*, No. 1:24- cv-00165-JFM (D. Del. filed February 8, 2024)

(2) *Monolithic Power Systems, Inc. v. Nengda Microelectronics (Shenzhen) Co. LTD. et al.*, No. 1:24-cv-00166-JFM (D. Del. filed February 8, 2024)

3. Lead and Back-Up Counsel
