Subject: RE: IPR2024-01187 Director Review Request

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Acting Director:

Petitioner in IPR2024-01187 writes to request authorization to apprise the Acting Director of Patent Owner's "Notice Of Narrowing Of Asserted Patents For Purposes Of Trial," which was filed yesterday in the parallel District Court litigation (E.D. Texas Case No. 2:23-cv-495). The Notice withdraws U.S. Patent No. 9,257,492 (the patent challenged in this IPR) from the District Court proceeding.

Petitioner believes this recent development is material to Patent Owner's request for Director Review on *Fintiv* issues. Accordingly, Petitioner respectfully requests authorization to file a one-page, non-argumentative notice to the Acting Director regarding this development, and to file Patent Owner's District Court "Notice" as an accompanying exhibit in this IPR.

Respectfully submitted,

Scott Weidenfeller
Counsel for Petitioner
