BEFORE THE PATENT TRIAL AND APPEAL BOARD

DR. FALK PHARMA GMBH,
Petitioner,

v.

ELLODI PHARMACEUTICALS, L.P.,
Patent Owner.

Case No. IPR2024-01197
Patent No. 8,771,729 B2

PATENT OWNER'S REQUEST FOR ORAL HEARING

Pursuant to 37 C.F.R. § 42.70(a), Patent Owner Ellodi Pharmaceuticals, L.P., requests an oral hearing on all grounds of unpatentability raised in this proceeding. Patent Owner also requests oral hearing (without intending to waive any issue not specifically identified) on any issues raised by Petitioner Dr. Falk Pharma GmbH in its Request for Oral Hearing, any procedural or evidentiary issues raised by the parties, and any additional issues or questions raised by the Board or the parties before or during the oral argument.

Patent Owner requests 45 minutes total to present their argument. To the extent the Board schedules the hearing to last more than 90 minutes total or provides further opportunity to address the issues (such as a closing statement), however, Patent Owner requests that they should be given an opportunity equal to that of Petitioner.

Consistent with the Board's guidance, Patent Owner prefers that the oral hearing be held in person at the USPTO headquarters in Alexandria, Virginia, to the extent practicable including the capacity of the hearing room. Patent Owner believes that there will be no more than five attorneys and client representatives present for this oral hearing on behalf of Patent Owner.

Patent Owner requests that their attorneys be allowed to use computers at the hearing (in addition to the counsel making the argument using his or her computer to show the demonstratives) to avoid the need for the parties to bring entire paper

copies of the record into the hearing room and to facilitate efficient answering of panel questions. Patent Owner further requests audio-visual equipment suitable to display papers of record and demonstrative exhibits, including a computer-connectable projector, an ELMO, and a screen.

Patent Owner further requests the services of a court reporter to transcribe the proceeding.
