Mr. Hawthorne:

In light of Petitioner's representation that the corrected exhibits are the same as the original exhibits except for the exhibit label, Patent Owner does not oppose Petitioner's request.

Thank you,

Subject: RE: IPR2024-01214 - Request Expungement Of Originally Filed Exhibits in favor of Corrected Exhibits

Counsel:

It does not appear that counsel for Patent Owner was copied on Petitioner's request – we note that Patent Owner made its appearance in this proceeding after Petitioner sent its request. Does counsel for Patent Owner have any objection to Petitioner's request?

Subject: IPR2024-01214 - Request Expungement Of Originally Filed Exhibits in favor of Corrected Exhibits

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board,

In IPR2024-01214 challenging U.S. Patent No. 8,286,750, Petitioner requests that Exhibits 1001–1035 submitted on 8/1/2024 be expunged from the record.

In response to the Notice of Filing Date Accorded to Petition mailed August 15, 2024 (Paper 3),

SilencerCo Weapons Research, LLC (“Petitioner”) submitted corrected Exhibits 1001–1035 on 8/15/2024, each having an exhibit label including the Petitioner’s name followed by a unique exhibit number. No other changes have been made relative to the exhibits filed on 8/1/2024. The corrected Exhibits can be identified based on their filing date as well as by reference to their name, each of which has been updated to include the appended text “- Corrected.”

Accordingly, Petitioner requests that Exhibits 1001–1035 submitted on 8/1/2024 be expunged from the record in the interest of clarity and conciseness of the record.

All the best,

Steven Avena
