Dear Administrative Patent Judges Barrett, O'Hanlon, and Baltatzis:

The parties respectfully request a conference call to seek authorization to file a joint motion to amend the Scheduling Order in IPR2024-01214 (Patent 8,286,750 B1). The parties seek authorization to modify Due Dates 5-8 to advance the oral argument date from November 4, 2025, to the week of October 27-31, 2025.

| Due Date   | Current Date     | Proposed Date    | Change  |
|------------|------------------|------------------|---------|
| Due Date 5 | October 14, 2025 | October 7, 2025  | -7 days |
| Due Date 6 | October 21, 2025 | October 14, 2025 | -7 days |
| Due Date 7 | October 28, 2025 | October 21, 2025 | -7 days |
| Due Date 8 | November 4, 2025 | <i>See below</i> |         |

Both SilencerCo's counsel and client have scheduling conflicts on November 4, 2025, the currently scheduled oral argument date. The parties recognize that the Scheduling Order expressly prohibits stipulated extensions of Due Date 8 (Paper 8, p. 9), necessitating the movement of Due Date 8 forward, which in turn requires the movement forward of Dues Dates 5-7, and the Board's authorization for this modification.

The parties have met and conferred regarding this request. Both parties intend to request oral argument on September 23, 2025, as permitted under the Scheduling Order. During meet and confer discussions, both parties agreed that a remote oral argument would be most efficient, as set forth by the Scheduling Order (Paper 8, p. 7-8). Additionally, lead counsel for HuxWrx is scheduled for a medical procedure, making him unavailable on October 29 and 30, 2025, further supporting the preference for remote proceedings. However, the parties are aware of the Board's recent policy change regarding returning to in-person PTAB hearings, although it's not clear to the parties whether the policy change is intended to override the language in the Scheduling Order. See: <https://www.uspto.gov/about-us/news-updates/uspto-returning-person-ptab-hearings>.

Subject to the Board's availability, the parties are available for oral argument on October 27, 28, 29, or 31, 2025 if held remotely, or on October 27 or 28, 2025 if held in-person, with preference for the USPTO's Dallas or Denver office locations. The parties are also amenable to waiving the requirement that lead counsel must attend the oral argument, subject to the Board's approval, given lead counsel for HuxWrx's medical procedure. If such waiver is granted and the oral argument is held either remote or in-person, the parties are available any day between October 27-31, 2025.

Counsel for HuxWrx, copied here, confirmed that HuxWrx does not oppose this relief. The parties respectfully request the conference call be scheduled Monday, September 22 from 8:00-9:00am MT or Tuesday, September 23 from 8:00-11:00am MT; 2:00-3:00pm MT; 4:00-5:00pm MT to allow sufficient time for any authorized motion to be filed and considered.

Thank you for your consideration.

Thanks,
