CAUTION: This email has originated from a source outside of USPTO. PLEASE CONSIDER THE SOURCE before responding, clicking on links, or opening attachments.

Honorable Board,

Due to clerical errors made by both the Petitioner and the Patent Owner, the Patent Owner's "Opposition To Petitioner's Motion For Authorization To File A Preliminary Reply" (Paper #9) was inadvertently filed a day late. Specifically, the Petitioner's "Motion For Leave For Authorization To File A Preliminary Reply" (Paper #8) was inadvertently not served on the Patent Owner, resulting in the Patent Owner not properly docketing the response. The parties have met and conferred and jointly request that the Board accept and consider the Patent Owner's submission of Paper #9.

The parties are available to discuss the matter with the Board any time on Thursday or Friday.

Regards,

Intellectual Property Law
