Counsel,

The Board grants the parties' request to amend the current schedule and extend the time for Patent Owner to file a revised motion to amend. Patent Owner's revised motion to amend will replace the original motion to amend in the proceeding. 37 CFR 42.121(f)(3). Once Patent Owner files a revised motion to amend, the Board will issue a revised scheduling order that reflects the parties' requested schedule along with any additional changes required by the Board.

EXTERNAL TO GT

Counsel,

We have received the parties' request to further adjust the scheduled Due Dates to provide additional time for the parties briefing regarding Patent Owner's Motion to Amend. We are sorry to hear about the hospitalization of Patent Owner's counsel, and hope for their speedy and full recovery.

The Board's preliminary guidance on Patent Owner's motion to amend will be mailed on September 10th. We ask that the parties review that preliminary guidance, then meet and confer to determine whether the new Due Dates are required in view of that preliminary guidance. Note that if Patent Owner chooses to file a revised motion to amend, a revised scheduled order will be required to accommodate additional briefing by the parties. See [84 FR 9506-9507](#) (setting forth MTA pilot program timelines). Once the parties meet and confer, the panel will be available to discuss any additional adjustments to the schedule, prior to the next upcoming Due Date on October 1, 2025 (Due Date 3).

Dear Board,

In IPR2024-01230, Patent Owner and Petitioner have agreed to extend the current Due Date 3 from October 1 to October 15, and the portion of Due Date 5 (only relating to Petitioner's Sur-Reply) from October 29 to November 12 (which is no later than Due Date 7, November 12), as set forth in the Scheduling Order (Paper 13), and jointly request authorization to extend the portion of Due Date 3 (from October 1 to October 15) relating to Patent Owner's Contingent Motion to Amend (Paper 19). The parties respectfully request this schedule adjustment because Patent Owner's counsel was hospitalized due to a life-threatening illness in August and is still dealing with the aftermath.

The parties are generally available for a conference call between 1 and 5 pm ET from September 8 to 10 if that would aid the Board's consideration. Counsel for Petitioner is copied on this correspondence. Thank you.

Best regards,

Kyle Chen
