Counsel,

Petitioner's request to file a 2-page brief addressing the effect of the USPTO's recent rescission of the June 21, 2022, Director's memorandum entitled *Interim Procedure for Discretionary Denials in AIA Post-Grant Proceedings with Parallel District Court Litigation* is granted in each of IPR2024-01248, IPR2024-01250, IPR2024-01500, and IPR2025-00011. The parties may each file a 2-page brief in these four cases addressing the effect of the memorandum's rescission on any prior *Fintiv* briefing by the parties in those cases. Each party's brief addressing the issue is due by March 12, 2025, and there will be no further briefing. A conference call with the Board is not necessary.

Your Honors,

I am counsel of record for Petitioner in the above-captioned proceedings. Last Friday, the Patent Office rescinded former Director Vidal's memorandum regarding *Fintiv*. Accordingly, Petitioner respectfully requests leave to file a 2-page brief to address the rescission's effect on the above-captioned proceedings and the *Sotera* stipulations Petitioner filed, to be due within 3 business days

IPR2024-01250  
Ex. 3002

following the Board's authorization. Petitioner does not oppose Patent Owner receiving a 2-page sur-reply to be due in the same amount of time.

The parties have met and conferred and Patent Owner opposes.

To the extent the Board wishes to hold a hearing on this request, the parties are available on Tuesday, March 11, 10 am to 1:45 pm ET, or Wednesday, March 12, 10 am to 4:30 pm ET. Should the Board require additional times, Petitioner will reach out to Patent Owner and will revert with the parties' joint availability.

Respectfully submitted,  
Quincy Lu
