Dear Board,

Petitioner Charter Communications Inc. requests leave to file a motion to submit supplemental evidence in IPR2024-01287. This supplemental evidence relates and responds to Patent Owner's objections to the authenticity of Ex. 1007.

This request is timely pursuant to 37 C.F.R. § 42.123(a) because it is being made within one month

of the institution decision in this IPR (Paper 12) and the supplemental evidence was served earlier today within 10 business days of Patent Owner's objections.

Respectfully,
Ray Ricordati
