Counsel,

The panel grants Petitioner's request under the terms agreed to by the parties. In each of IPR2024-01310 and IPR2024-01311, Petitioner's preliminary reply must be filed by February 10, 2025, and Patent Owner's preliminary sur-reply within 14 days of the filing of Petitioner's preliminary reply. Petitioner should enter this email string as an exhibit in each proceeding, and refer to it in the preliminary reply.

Best regards,

Dear Board,

Petitioner in the above-referenced IPRs requests leave to file limited replies of no more than 5 pages. Petitioner believes that good cause exists for additional briefing. In both IPRs, Patent Owner argues the Board should deny institution on § 325(d) grounds, a potentially dispositive issue. Petitioner's replies would be limited to responding to Patent Owner's § 325(d) arguments.

The parties have met and conferred. Patent Owner does not oppose the request for leave to file replies so long as it is afforded an opportunity to file 5 page sur-replies due 14 days after Petitioner files its replies. Petitioner does not oppose Patent Owner's request to file sur-replies.

Best regards,

Todd Baker
