ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5

¹ This order is being filed in each proceeding listed in the caption. The parties are not authorized to use this style of caption.

IPR2024-01323 (Patent 9,070,133 B2)

IPR2024-01324 (Patent 9,098,855 B2)

Counsel for Petitioner, on January 27, 2025, sent an email communication to the Board requesting a conference call to seek permission to file a Preliminary Reply to Patent Owner's Preliminary Response in each of these two proceedings. A copy of that email communication is included in the record as Exhibit 3001 in each proceeding.

Patent Owner does not oppose Petitioner's request, so long as Patent Owner is granted leave to file a Preliminary Sur-reply on an equal footing to Petitioner's Preliminary Reply.

In consideration of the email communication (Ex. 3001), and the fact that Petitioner's request for further preliminary briefing essentially is not opposed, we conclude a conference call is unnecessary. It is hereby:

ORDERED that, in IPR2024-01323:

Petitioner may file a Preliminary Reply addressing the parties' proposed claim construction(s) as to claim element [1.5] and similar elements in other claims in the co-pending District Court proceeding, and how those proposed claim construction(s) interrelate with assertions in the Petition, within one week following entry of this Order;

Patent Owner may file a Preliminary Sur-Reply responding to the Preliminary Reply, within one week following the filing of the Preliminary Reply; and

Each brief shall not exceed five (5) pages in length; and

FURTHER ORDERED that, in IPR2024-01324:

Petitioner may file a Preliminary Reply responding to Patent Owner's arguments concerning the disclosure of Deaton (Ex. 1004) relating to the coupon redemption validation process performed by Deaton's server, within one week following entry of this Order;

IPR2024-01323 (Patent 9,070,133 B2)

IPR2024-01324 (Patent 9,098,855 B2)

Patent Owner may file a Preliminary Sur-Reply responding to the Preliminary Reply, within one week following the filing of the Preliminary Reply; and

Each brief shall not exceed three (3) pages in length.
