I. INTRODUCTION

With the Board’s authorization, the parties filed a Joint Motion to Terminate each of the above-identified proceedings (Paper 15 (“Joint Motion”)), along with a copy of their written Settlement Agreement (Ex. 1018 (“Settlement Agreement”)).³ The parties further filed a Joint Request to treat the Settlement Agreement as business confidential information and to keep the Settlement Agreement separate from the patent files. Paper 16 (“Joint Request”). For the reasons discussed below, we grant the Joint Motion and Joint Request.

II. ANALYSIS

Each of the above-identified proceedings is in its early stages. In IPR2025-00250 and IPR2025-00407, the Board has not yet decided whether to institute an *inter partes* review. In IPR2024-01161, IPR2024-01345, and IPR2025-0050, we issued decisions instituting an *inter partes* review, but no Patent Owner Response has been filed. *See* IPR2024-01161, Paper 11; IPR2024-01345, Paper 14; IPR2025-00050, Paper 12. In these cases where

trial has been instituted, substantive briefing is not yet completed and we have not yet decided the merits.

In the Joint Motion to Terminate, the parties represent that their Settlement Agreement “fully resolves this matter,” and that Exhibit 1018 is “a true and accurate copy” of the Settlement Agreement. Joint Motion 2. The parties also acknowledge the Settlement Agreement “represents the entire agreement or understanding between the Parties made in connection with, or in contemplation of, the termination of this proceeding.” *Id.*

Under these circumstances, we determine that it is appropriate to terminate these proceedings without rendering any further decisions. *See* 37 C.F.R. §§ 42.71(a), 42.72, 42.74(a). After reviewing the Settlement Agreement, we also determine that good cause exists to treat the Settlement Agreement as business confidential information and to keep it separate from the patent files. *See* 35 U.S.C. § 317(b); 37 C.F.R. § 42.74(c).

This Decision does not constitute a final written decision pursuant to 35 U.S.C. § 318(a).

III. ORDER

For the reasons given, it is

ORDERED that the Joint Motion in each of the above-identified proceedings is granted;

FURTHER ORDERED that each proceeding is terminated as to all parties; and

FURTHER ORDERED that the Joint Request in each of the above-identified proceedings is granted, and that the Settlement Agreement in each
