Subject: Samsung v. Roku - IPR2024-01350

Dear Honorable Board,

I write on behalf of Patent Owner regarding the deadline for Patent Owner's preliminary response in IPR2024-01350, which is currently December 24, 2024. Given that December 24th is Christmas Eve, Patent Owner respectfully requests that the deadline be slightly extended to December 27, 2024. The requested extension would also align the deadline with the preliminary response deadlines in IPR2024-1348 and IPR2024-1349, which involve directly related patents and have substantial subject-matter overlap. The Board has discretion to extend preliminary response deadlines pursuant to 37 C.F.R. § 42.5(a) and has done so in the past for much longer periods of time. *See e.g., Apple Inc. v. Identity Security, LLC*, IPR2022-00170, Paper 6 (PTAB Mar. 29, 2022). Patent Owner has conferred with Petitioner, and Petitioner does not oppose this request.

Regards,

Stephen Zinda
