Feit Electric White Filament LED Light Bulbs

23 Products ranging from

\$8⁴⁸ - \$88⁶⁸

These clear glass LED bulbs with exposed white filament offer a sleek aesthetic that easily assimilates into any home décor style. Where traditional clear glass LED bulbs stand out with their yellow filaments, these bulbs contain a discreet, white-colored core that blends in better, while still providing a smooth glow meant for chandeliers, pendants, and lamps without shades. Their high-quality 90+ CRI light ensures that colors will appear more vibrant and skin tones more natural. Save on monthly energy bills compared to traditional incandescent bulbs and get up to 15,000 hours of reliable LED light.
