

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF KENTUCKY
CENTRAL DIVISION AT LEXINGTON

FEIT ELECTRIC COMPANY, INC.,

Plaintiff,

v.

LEDVANCE LLC,

Defendant.

Judge Danny C. Reeves

Civil Action No. 5:24-CV-00031-DCR

**NOTICE AND STIPULATION CONCERNING
WITHDRAWAL OF CLAIM CONSTRUCTION POSITION**

Defendant LEDVANCE LLC (“LEDVANCE”), by and through its undersigned counsel, provides the following Notice and Stipulation.

This case is stayed “pending the issuance of a final written decision in Inter Partes Review No. IPR2024-01357” (“the IPR Proceeding”). DN-63 at 2. On February 26, 2026, the Patent Trial and Appeal Board (“the PTAB”) held oral argument in the IPR Proceeding and a final written decision is expected as early as June 23, 2026 and no later than September 5, 2026. In connection with representations made by LEDVANCE to the PTAB in those proceedings, LEDVANCE hereby provides this Notice and Stipulation. LEDVANCE is not seeking to lift the stay.

In the Joint Claim Construction Statement (DN-59) and in its opening (DN-54-1) and responsive (DN-57) claim construction briefs, LEDVANCE contended that the following claim terms in U.S. Patent No. 8,604,678 (“the ’678 patent”) are indefinite:

- “wherein the light diffusing layer improves an off-state white appearance of the wavelength conversion component” (’678 patent, claims 1, 19, 29)

- “in which the light scattering material within the light diffusing layer corresponds to an average particle size that improves the OFF state white appearance of the wavelength conversion component” (’678 patent, claim 21)

LEDVANCE hereby provides notice that it withdraws any argument or contention that the aforementioned terms are indefinite. Plaintiff Feit Electric Company, Inc. (“Feit”) contends that these terms should be given their plain and ordinary meaning. *See* DN-59 at 2.

LEDVANCE agrees and stipulates that such terms should be given their plain and ordinary meaning.

Dated: March 3, 2026

Respectfully submitted,

/s/ Srikanth K. Reddy
