Hallo Tyron,

anbei ein Vorschlag für die Log-In Seite sowie für die About Seite. Hans-Bernd und ich kommen gegen Mittags in München an. Ich muss wahrscheinlich am Nachmittag oder am Dienstag einmal kurz nach Rosenheim.

Lass uns morgen abend kurz telefonieren.

Gruss,
Seymour

About iCharts

iCharts is about making interactive charting simple. So many charts are being print published every day, so few can be seen online only. Plus, why look at a chart if you can do more with it?

We at iCharts want to enable everyone with interesting facts & figures to easily create, share and embed interactive charts both online and offline in PDF documents and Powerpoint presentations.

Company Info

We call iCharts a flat start-up (inspired by the book from Friedman – „the world is flat“). Since day one we are operating in a highly distributed way, our locations are in Sunnyvale, Silicon Valley, in Munich, Germany and in Pune, India.

iCharts was founded by Seymour Duncker, Tyron Montgomery and Rajesh Setty.
