Hi and good morning,

the pilot update is done. Girish asks to redirect the old URL <http://pilot.icharts.net> to the jsp URL. Sounds first order like valid point. What do you think?

Hi Girish,

thanks a lot.

About the redirection I will synch with Seymour and Tyron. Sounds to be a very good idea.

Best regards

Should I have <http://pilot.icharts.net> to be redirecting to the new login page?

Regards,

Girish
