Subject:	Pie-Charts

Swati, Girish,

I am testing on dev the Pie Charts (one of our first customers - Anchor Legal - will be users for pie charts):

I am noticing that you are building the pies counter-clockwise. The normal way would be clock-wise. Also, the left side of the first pie should be centered at 12 o'clock. If these are simple settings could you please implement them for this release.

Txs,
Seymour
