Subject: Re: Unfiltered feedback list (Google Docs)

Hi Guys,

we have removed the two lists feedback lists for July "pilot_test_july" and "stage_test_july_9-11th from the document share and have instead share the "unfiltered feedback list" also with Gautam and Dipesh. Please use this list in future for bug collection.
Seymour and me have cleaned up the unfiltered list so that it is cureently ermpty.

Please be so kind to specify with your entries also column F depending on which server the bug was found. Possible entries for column F are pilot, stage and dev.

Gautam and Dipesh will exclusively work and test on the "pilot" server.

Rgds
Hans-Bernd
