Subject:	Registration Process

Hi,

for Friday I plan to do an extended registration process test which will be repeated as soon as the fial html is in o the weekend. Please detach a person who is extensively testing the registration also starting with today as soon as the login page work around is ready for that on DEV Portal. So it can be pretested during our travel day tomorrow and will then be end user tested.

Test progam is noted down in ticket 322 (For Delegation: Test Program Pretesting the Registration) assigned to Girish but only for delegation.

Regards
Hans-Bermd
