Subject: [thedunckers.jot.com] Ticket 327: Sharing doesnt work

ID# 327: Sharing doesnt work

Priority: immediately **Reporter:** Seymour
Severity: critical_bug **Assigned To:** Girish
Product: iCharts Studio **Status:** new
Resolution: open

Description:

Sharing of a chart (unpublished) from a factory account to my account doesn't work. Email gets sent, in source account message says "shared successfully".

But in target account chart does not appear.

Updates:

New issue has been created by Seymour
