

iCharts

your source for facts & figures

© 2007 Seymour Duncker, Tyron Montgomery

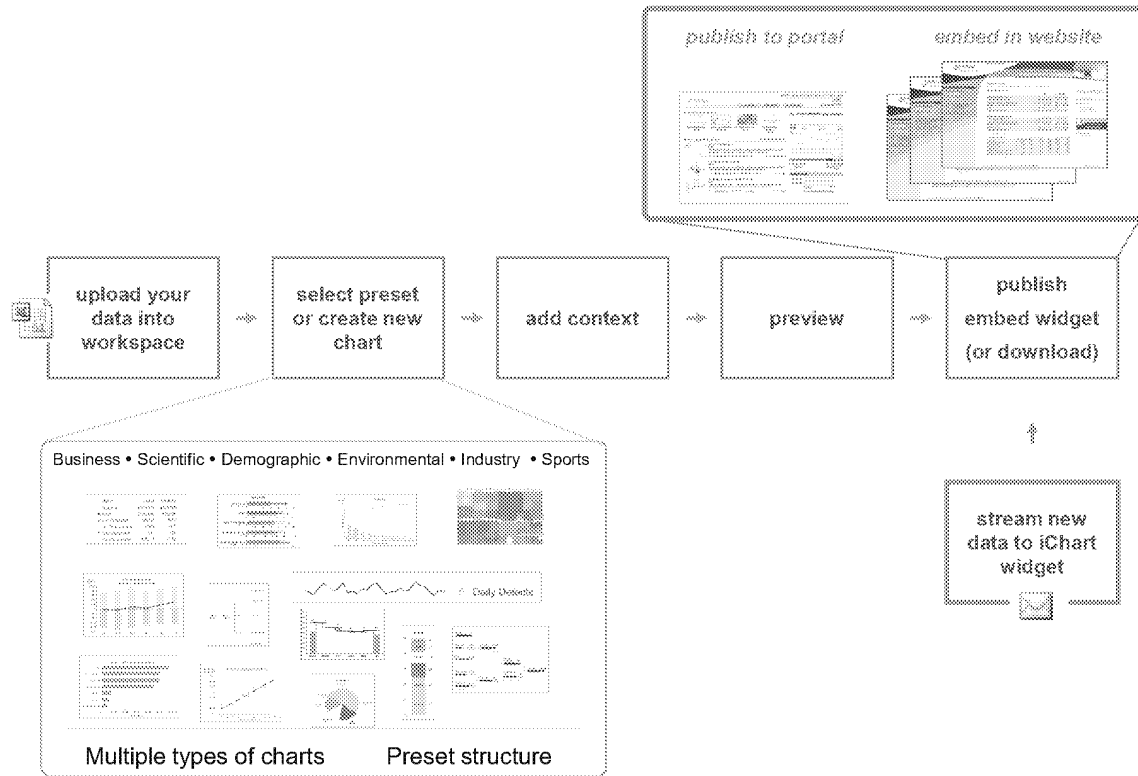

How many statistical representations do you believe are printed year on year

iCharts – in a nutshell

- Charts created by end-users
- Presets that matter
- Meaningful interactivity

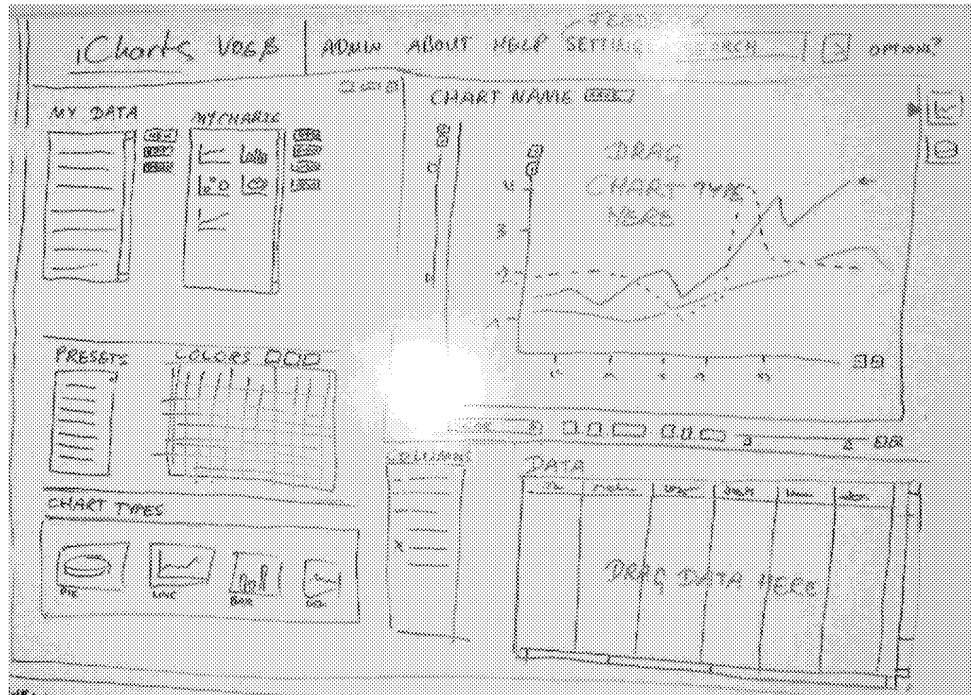

© 2007 Seymour Duncker, Tyron Montgomery

iCharts: easy to create, easy to publish, easy to update

Design Criteria

1. Data + Charts
2. Ease-of-use
3. Expertise
4. Interactivity
5. Scalability
6. Service, then portal
