Subject: Re: Latest wireframe - v2.4?

Hi Rajesh,

the wireframe 2.16 is good for demoing, the link is
<http://thedunckers.jot.com/BugReporter/Ticket54>

In a rush, but've been seeing all the great meetings you are setting up. Good stuff! BTW - I know Kurt Garbe from Asera (not sure whether he remembers me though).

Best,
Seymour

Tyron, Seymour:

Hope you both are doing well.

I have a quick question - is the latest wireframe - v2.4 or is there anything later than that?

I have a demo tomorrow and I want to have the latest version.

Can one of you please respond if possible by tomorrow morning my time.

Best
Raj
