

Declaration of Popke Huizinga

I, Popke Huizinga, declare that:

1. I am Deputy Director of IOS Press BV (“IOS Press”). I make this declaration based on my personal knowledge of the facts set forth herein, and I am fully competent to testify to the same.
2. IOS Press is a neutral third party in this dispute.
3. Neither am I, nor is IOS Press being compensated for this declaration.
4. Among my responsibilities as Deputy Director, I act as a custodian of certain records for IOS Press.
5. I make this declaration based on my personal knowledge and information contained in the business records of IOS Press.
6. As part of its ordinary course of business, IOS Press publishes and makes available scientific, technical, medical (STM) articles, including conference proceedings, journals, books, and other full-text publications. IOS Press produces around 90 journals and 70 books annually in a broad range of subject categories, primarily specializing in health and life sciences (including neurosciences, medical informatics, cancer research, and rehabilitation) and computer sciences (including artificial intelligence, data science, and semantic web).
7. This Declaration relates to the publication and availability of the following article (“Conference Paper”):

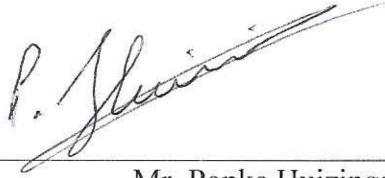

Article Title:	Confidence Displays and Training in Recommender Systems
Author(s):	McNee, S.M., Lam, S.K., Guetzlaff, C., Konstan, J.A., & Riedl, J.
Pages:	176-183
Book title:	Human-Computer Interaction — INTERACT '03
Editor(s):	Rauterberg, G.W.M., Menozzi, M., & Wesson, J.
Publication Date:	August 2003
ISBN:	978-1-58603-363-7

8. The Conference Paper was published August 2003 as part of the conference proceedings to IFIP TC13 International Conference on Human-Computer Interaction held 1-5 September 2003 in Zurich, Switzerland, by IOS Press on behalf of the International Federation for Information Processing (IFIP), on pages 176-183.
9. Upon publication, the book was distributed to the global scientific community, including to libraries, book distributors, and wholesalers around the world.
10. To the best of my knowledge, and based on the current condition of the volume containing Conference Paper as being held in IOS Press’s archives, the volume has been preserved intact since publication.

All statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code. I

declare under the penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on 23 July 2024 at Amsterdam, The Netherlands.
