Honorable Board,

In response to Chief Administrative Patent Judge Deshpande's September 20, 2025 General Order regarding related matters updates, Petitioner provides the following update about the related matters of the above-referenced proceedings:

The following pending district court litigation relates to IPR2024-01402, -01403, -01404, and -01405:

<!--[if !supportLists]-->• <!--[endif]-->*Harbor Island Dynamic, LLC v. Samsung Electronics Co., Ltd. and Samsung Electronics America, Inc.*, Case No. 2:24-cv-00140-JRG-RSP (E.D. Tex.).

The following pending district court litigation relates to IPR2024-01402 and -01403:

<!--[if !supportLists]-->• <!--[endif]-->*Harbor Island Dynamic, LLC v. NXP Semiconductor, N.V. et al.*, Case No. 2:24-cv-00717-JRG-RSP (E.D. Tex.).

Both of the above district court cases have been stayed and the court did not issue any substantive ruling before the stay. Therefore, Petitioner believes there is no relevant material from the related matters to file in the docket of the above-referenced proceedings.

Patent Owner's position is that there have been no "developments regarding adjudication of validity or patentability of the challenged patent claims or substantially similar patent claims" in the underlying litigations and, therefore, there is currently nothing to keep the Board apprised of as required by the September 20 General Order.

Respectfully submitted,

Chen Zang
Counsel for Petitioner
