IPR2024-01420 // U.S. Patent No. 11,562,402

Honorable Acting Director,

Patent Owner today has filed Requests for Director Review in IPR2024-01316 and IPR2024-01420. In the Requests, Patent Owner discusses Petitioner's invalidity contentions served on February 11, 2025, in the parallel district court litigation. These invalidity contentions are relevant to evaluation of the *Fintiv* factors, as discussed in the Requests.

As these invalidity contentions were served between the time that Patent Owner filed its Preliminary Response and when the panel issued its Institution Decision, Patent Owner respectfully requests authorization to submit the cover pleading to Petitioner's served invalidity contentions as an exhibit in each of the above-referenced IPR proceedings.

Regards,
Steve Pappas
Counsel for Patent Owner
