Best Computer Science Scientists

The 11th edition of Research.com ranking of the best scholars in the discipline of Computer Science is based on data derived from a wide range of data sources including OpenAlex and CrossRef. The bibliometric data for estimating the citation-based metrics were acquired on 27-11-2024. Position in the ranking is based on a researcher’s D-index (Discipline H-index), which includes exclusively publications and citation data for an examined discipline.
