CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board:

Petitioner respectfully requests authorization to file a joint motion to terminate IPR2024-01430 and a joint motion to withdraw Ground A-3 in IPR2024-01431.

Patent Owner states: "Patent Owner does not oppose a request to terminate IPR2024-01430 and withdraw Ground A-3 in IPR2024-01431, but opposes the request to now re-rank petitions and believes this request is being made in an effort to create an argument against discretionary denial under *Fintiv*. If Petitioner makes such an argument, Patent Owner requests a sur reply to Petitioner's submission on discretionary denial."

Petitioner does not oppose Patent Owner's request to file a paper in response to Petitioner's submissions on discretionary denial.

The parties are available for a call with the Board next week, if needed, between 9:30 and noon ET on Tuesday, Wednesday, or Thursday.

Respectfully submitted,

Scott Weidenfeller
Counsel for Petitioner
