

Exhibit 6 – Initial Infringement Claim Chart for U.S. Patent No. D789,435

This initial claim chart shows how the following Insta360 products (the “D’435 Accused Products”) directly infringe U.S. Patent No. D789,435 (“the D’435 Patent”):

D’435 Accused Products: Insta360 Ace and Insta360 Ace Pro

As shown in the initial claim chart, the D’435 Accused Products, in the eyes of an ordinary consumer, are substantially the same as the patented design. Insta360 directly infringes the D’435 Patent under 35 U.S.C. § 271(a) by selling and offering for sale the D’435 Accused Products in the United States and importing those Products into the United States.

This claim chart is provided based on GoPro’s investigation to date. GoPro is continuing to investigate the subject matter of this interrogatory and reserves the right to supplement, amend, or revise its response to this interrogatory pursuant to 19. C.F.R. § 210.27(f) or as may be warranted in light of ongoing discovery.
